Shady Lady Records releases Me For Me, April 11, 2024

Sarver PA, April 11, 2024 – **Shady Lady Records** – Noble Hops has released their first single of 2024 titled “Me For Me”. The song is a personal one for founding Noble Hops member Utah Burgess, who wrote it back in 2015.

“It is a reflective song, while maintaining a statement that, basically, things are what they are, and I’ve done the best I can”, says Burgess. The song was first performed live on stage with Rob Keller (Noble Hops, The Shiners) at the very first ever Rock Done Right Tour Stop at The Strand Theater in Zelienople PA in April of 2016.

Recording was done at The Leaning Studio of Greene, located in Sarver PA, by recording engineer Chris “Ru-DoGG” Ruane. Mike Ofca (Innovation Studio) handled the mixing and mastering tasks. The cover art was provided by Linda Weber LW Design 4U.

The song will be featured Sunday night April 14 at 7pm EST on The Grass Roots Show on The Rock Station 97.7 (WLER – www.977Rocks.com), and will also be available for streaming and download on various online radio stations and streaming platforms.
